Cooking Habits - Brazil

"The inflation slowdown has allowed consumers to purchase ingredients that had been cut from the shopping basket, even though they are still looking to save money. Even with the return of face-to-face activities, Brazilians continue to favor the consumption of home-cooked meals, increasing the demand for ingredients and kitchen utensils ...

Foodservice - Brazil

"The foodservice category was heavily impacted by the COVID-19 pandemic, but has managed to recover, and several chains are currently expanding operations. The main challenge now is rising prices, which have been forcing consumers to eat out less often and choose more affordable restaurants and dishes. Expanding the menu with ...

Food & Beverage Retailing - Brazil

"With more frequent visits and smaller purchases, retailers need to adapt to accommodate a larger number of customers and create a pleasant and practical environment, so consumers don't spend too much time inside the store. Consumers show interest in the use of technology, as well as in retailers that offer ...
