

Electrical Wholesale - UK - January 2017

Report Price: £995.00 | \$1252.11 | €1159.97

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

image

“A buoyant new construction market and continued repair and maintenance demand were facilitating sales growth in the electrical wholesale market after considerable disruption during the recession. However, the commodity nature of many products, intense industry competition.”

– Terry Leggett, Senior Analyst

This report looks at the following areas:

- How has the Brexit decision impacted the market?
- Are there sectors and products that will be less affected?
- What is the impact of e-commerce?
